Travel Routes

Exit the pitch via side gate

Enter the pitch via the half way line gate

2. ALL players waiting to access the pitch must congregate (2m distancing) on the concourse and enter the pitch via the gate on the half way line.

You are not permitted to enter the pitch until the previous team has left and the dug outs have been sanitized

Teams waiting to enter must arrive 5 minutes before your allotted session start time. Players are not to congregate at the main entrance to the concourse/spectator area where other teams will be exiting

5. ALL players MUST exit the pitch here. No quick entry to the pitch is permitted and all pitch entry is to be done on the half way line

1. Player and spectator access/entry

All Dug outs must be sanitized at the end of the session by the coach before leaving the pitch. The sanitizer is stored in the Blue central dug out.
